Moto Guzzi Quota

Year:	<b>2000</b>	Warranty:	<b>No</b>
Miles:	<b>60000</b>	Engine Size (cc):	<b>1100</b>
Condition:	<b>Used</b>	Title:	<b>Other</b>
Exterior:	<b>Black</b>	VIN Number:	<b>--</b>
Type:	<b>Moto Guzzi</b>	Model:	<b>Other</b>
For Sale by:	<b>Private Seller</b>		

**Vehicle Description**

My Quota. Powercommanded and dynoed. 62 blazing horsepower/62 ft lb. Hard luggage included-top case and side cases. Cosmetically fair condition-paint is sun faded and has 60k worth of scratches,dings, and other flaws. Mechanically good condition. Ujoint is in good shape. Pro Taper bars. Very comfortable for distances. Old engine blew up. Complete motor replaced. Current motor has ~20k miles on it. Chassis has 60k on it. Front tire is getting thin- ~ 30% left. Rear tire is fine !70% left. Bike is a good runner and can be ridden across country tomorrow. PLEASE NOTE: If you are an anal-retentive yuppie BMW R1100/1200GS rider with every Starbucks within 50 miles of your house logged on your GPS or such similar motorcycle wacko, you wont want this bike and you should submerge your head under water completely for 5 minutes before contacting me for details on the maintenance history,mechanical ramifications of running 42 vs 45 psi in the tires or a complete uninterrupted gas mileage history Excel spreadsheet from the minute it left the dealer. This is bike is what we call "a rider". FORZA MOTO GUZZI!!!!!!!!!!!!!!!!!!!!!! \*\*\*\*\*Here's a little more information for the interested parties. NO. I don't think you should take this bike 5000 miles up the Alaskan Al-Can Highway. I personally don't think you should take ANY bike up that piece of God forsaken bear-infested road, let alone the CHEAPEST QUOTA IN THE UNITED STATES. PLUS, my crystal ball stopped working last week, so I can no longer predict the future, specifically the mechanical failures that will occur in the next 10,000 miles if you buy this, THE CHEAPEST QUOTA IN NORTH AMERICA. So you're half way to Alaska and a tranny bearing dies and tears up a seal and blows oil all over your clutch, disabling the bike (hey-Shiite Happens). Unless you wanna drop the motor on the side of the road to fix it, you're done. So you're there for 4 hours before you see another car pass. You try to flag him down, but he obviously doesn't want any company and keeps motoring on. "Sonofa...". Meanwhile, those dark hulking shadows that you see in the distance seem to draw closer and closer...Then one day I get a call from your next of kin who say "...but you said that the bike would make it..." I just do not need this type of mental baggage. I have had not one but TWO wacko wannabees ask about driving the bike to Alaska...it just boggles the mind. NO. This bike does not have extensive performance work. This engine is stock. You want performance? Buy a Yamaha R1. This is Guzzi's 600 lb "dirtbike" with 60 hp out of an 1100 cc motor...more like a two wheeled station wagon with snow tires and about as much horsepower as a Yugo. HEY! I can fit \$100 in groceries in the hard luggage, though, so it's good for something. And NO you can't stay on my couch for a few days while you tool around SoCal if you buy this, the CHEAPEST QUOTA IN THE UNIVERSE, from me. Two words: YMCA, dude. THANK YOU for the interest in the bike, and please keep the questions coming- I always need more material for my PhD dissertation on the Sociology of Internet Bike Weirdos. PS: Thank you ebay for the insertion fee sale which allows me to address all the dreamers out there in this, a very popular forum. This was well worth the \$2 that it cost to insert it, and a few orders of magnitude cheaper than therapy. FORZA MOTO GUZZI!!!!!!!!!!!!!!!!!!!!!! 12/08/07. Holy Toledo. 8500 hits. 150 watchers. ZERO BIDS!!!! Oh well. Add me to your "favorite sellers" list and we'll do this again real soon. Promise.

<p><b>Q:</b> Ed, Is this the one with the 7/33 final? Is that much of a change at low speeds? I mean 1st gear crossin' creeks kinda stuff. I have Greg Bender's charts on speed changes, but what's it like in real life? Thanks and good luck! I like your style.</p> <p><b>A:</b> 8/33 final included. 7/33 is the way to go for any 1100 guzzi that you regularly ride below 120 MPH. Gives 15% more torque overall.</p>	Dec-05-07
<p><b>Q:</b> Cousin Ed, you are the man. Thanks for the 'future Guzzi weirdo shirt!'</p> <p><b>A:</b> Thank you. You are a true Guzzi weirdo, Cuzin Kevin. BTW, what's with all the watches bought on ebay? Do you wear them all at once? Gotta love ebay for making it easy to snoop on peoples buying habits...</p>	Dec-05-07
<p><b>Q:</b> Will other bikers wave to you while riding this?</p> <p><b>A:</b> Not normally. Maybe it's because of the gold sequined jumpsuit, thigh high leather boots and pink feather boa I usually wear while riding. Would you wave?</p>	Dec-05-07
<p><b>Q:</b> I have not laughed this hard in a long time-Thanks!</p> <p><b>A:</b> :-)</p>	Dec-05-07
<p><b>Q:</b> i am not interested in buying your bike, as i am very happy with my harley. i just want to tell you that your add is about THE BEST one i have ever seen. good luck!!!!!!!!!!</p> <p><b>A:</b> :-)</p>	Dec-05-07
<p><b>Q:</b> You are the m-ther f-ckin' MAN!</p> <p><b>A:</b> :-)</p>	Dec-05-07
<p><b>Q:</b> If I fly in to buy it will you pick me up at the airport?? Also, will you teach me to change the oil before I ride it home?? Thanks</p> <p><b>A:</b> Yes and yes. See- I'm a reasonable enough person. I'll meet you at LAX-I'll be the guy with the '79 Pinto with the flamejob and air scoop(for the supercharger) sticking out of the top of the hood. I'll wear a name tag just in case you're not sure it's me.</p>	Dec-05-07
<p><b>Q:</b> You know, with the writer's strike going on in Hollywood, you could land a nice job writing for Leno...</p> <p><b>A:</b> Ah yes... Hollywood beckons.</p>	Dec-05-07
<p><b>Q:</b> does it have the upgraded FI module? How about the rims, are they Sun or Excel?</p> <p><b>A:</b> Holy Toledo. I pertinent question. I am speechless. Excel rims. No cracks. Yes, upgraded computer.</p>	Dec-05-07
<p><b>Q:</b> If I buy it can I retrofit a suede seat like the one on my Tenni?</p> <p><b>A:</b> Drop \$4000 on me and you can reupholster it with muskrat hide for all I care.</p>	Dec-04-07
<p><b>Q:</b> did you buy chance replace this bike with kawaski klr? i mean the description fits one of them to.</p> <p><b>A:</b> Despite its porcine form, the Quota makes exhaust noises that the KLR merely has wet dreams about.</p>	Dec-04-07
<p><b>Q:</b> a yugo actually had 64 horsepower stock, but with all the aftermarket parts, the sky is the limit!</p> <p><b>A:</b> Yes, sir, the sky's the limit. Live your dream, buddy ...</p>	Dec-04-07
<p><b>Q:</b> I really like the description your wrote, but have you ever heard of a carriage return?</p> <p><b>A:</b> I have always been able to afford a nice rental car, so I never had to bother with these.</p>	Dec-04-07
<p><b>Q:</b> Could it complete the Baja 1000??</p> <p><b>A:</b> Yes. Assuming you're talking about the Baja Fresh 1000 Beef Burrito Eating Competition.</p>	Dec-04-07
<p><b>Q:</b> will it make my penis look bigger?</p> <p><b>A:</b> Yes. Will also increase your net worth by 200%, will solve world hunger and will make hair grow on bald heads.</p>	Dec-04-07

<b>Q:</b> "HEY! I can fit \$100 in groceries in the hard luggage" Is that \$100 US or Canadian?	Dec-04-07
<b>A:</b> Hell, I just went shopping at Whole Foods. I can fit \$100 in groceries from there in my TANK BAG.	
<b>Q:</b> Has Ewan McGregor ever sat on this bike ?	Dec-03-07
<b>A:</b> Yes. He farted on it and it left a stain that bore a strong resemblance to Abe Vagoda. After this, I spent three weeks in a darkened room in silent contemplation, but I still don't know what it all represents. See- isn't this line of questioning better than "HOW LONG HAVE YOU OWNED THE BIKE" or "WHAT IS THE BEST GAS MILEAGE YOU HAVE GOTTEN ON IT" . KEEP THE QUESTIONS COMING, FOLKS!	
<b>Q:</b> I completely understand and sympathise about these wackos wanting to ride the bike to Alaska. So... would it make it to Hawaii?	Dec-03-07
<b>A:</b> Sure. All it takes is about four grand and one VERY DEEP BREATH.	
<b>Q:</b> I have no interest in traveling to Alaska. Will this bike make it to Tierra Del Fuego? How big are the bears in South America? Will you accept Uruguayan Pesos as payment?	Dec-03-07
<b>A:</b> Maybe. Big. No. and for the next ten questions: yes, no, yes, yes, nofarkingway, maybe, not without a condom, only if I were really drunk, possibly if you like the taste of pancake batter and (finally) not for all the rhinestones in Graceland!!!!!!	
<b>Q:</b> Hello: I just wanted to congratulate you on your description. (I've a '79 1000SP) Nice bike; Best of luck on the auction, and have a Happy Holiday... Bill	Dec-02-07

<p><b>Q:</b> You should seriously write a book ! just wanted to tell you I had the greatest time reading your decription of the Guzzi ! Laughed my arse off ! keep em coming back for more. You are the real deal. Love it.....</p> <p><b>A:</b> :-)</p>	Dec-06-07
<p><b>Q:</b> Since it doesn't look like anyones going to bid on your bike, I would volunteer to underwrite your running the ad again just to keep this humor going. By the way, I would wave at you!</p> <p><b>A:</b> :-) That's very nice of you. What color are the sequins on *your* riding jumpsuit?</p>	Dec-06-07
<p><b>Q:</b> will the micro-wave and fax machine from the goldwing fit on this bike? also will bmw riders acknowledge my being if i buy this item? thanks</p> <p><b>A:</b> You'll have to make some mounting hardware with some 2x4's and wood screws. There's only one way to salute BMW riders: SEIG HEIL!</p>	Dec-06-07
<p><b>Q:</b> OK, can I trade you the '85 Chevette for your handlebars, 2 pixies and you repair my skid plate?</p> <p><b>A:</b> OK. Let me consult with the pixies on this. I'll let you talk to your mom about selling her car.</p>	Dec-06-07
<p><b>Q:</b> Love the add! The exhaust and cross-over do not look stock- what system are you running? Is the new engine from a Quota?</p> <p><b>A:</b> re: system, I am running Windows 95 on a Pentium III and I have a "Charles in Charge" screen saver. I tried to stuff a Spagthorpe engine in the Quota, but I couldnt get the muffler bearings to fit in the frame. I hope that answers your questions.</p>	Dec-06-07
<p><b>Q:</b> Also, I know you don't have your crystal ball but I need some help. So my boss hates me....but his daughter loves me. Well I got her pregnant and have a huge dilemma now. I mean on one hand he won't know for at least a few months so I could stay at my job until he finds out. But then I run the risk of him killing me. My other option is quit and find a new job. I don't have any skills though....I mean how am I gonna feed this kid without a job. I'm really good at talking to people so I thought maybe becoming a telemarketer. But people hate telemarketers! What do I do?</p> <p><b>A:</b> Move away. Far away. Also, maybe look for a better source for important advice than some anonymous guy trying to sell a bike on the internet.</p>	Dec-06-07
<p><b>Q:</b> I see no kick stand in the 1st picture. Is this some sort of optical illusion or does the bike really stand up on its own? Also, I was really thinking about a Guzzi. But then I realized that I'm 25 and my friends would beat me up if I bought one.</p> <p><b>A:</b> There is no kickstand. Italian pixies hold the bike up when it is not moving. They live in the top case and consume nothing but bread sticks and Monster energy drinks. Pixies included with bike.</p>	Dec-06-07
<p><b>Q:</b> By the way, can you tell the guy that invited you to Woodys pizza that I would like to join him. As long as your not mad at me for stealing your invitation.</p> <p><b>A:</b> I think that guy was just coming on to me, so yeah, have fun at the Blue Oyster, or Woody's or whatever.</p>	Dec-06-07
<p><b>Q:</b> Good Day... I ride my KLR650 off road alot, and the skid plate has been hit more times than the lottery. Is there an aftermarket skid plate available for this model. That oil pan looks like it has a bullseye on it. Thnaks, Bob B</p> <p><b>A:</b> True Guzzi Weirdos do not buy accessories such as skid plates. They make them from stuff that they find out in the barn or at Home Depot. A cookie sheet skid plate would look real nice on there,lemme tell you.</p>	Dec-06-07
<p><b>Q:</b> When was the last time the power band was replaced? (If ever) If it has not been replaced, would you consider fitting an adjustable one for me if I win the auction?</p> <p><b>A:</b> I replaced power bands when I changed out the wah-wah shaft bearings and the blinker fluid.</p>	Dec-06-07

<b>Q:</b> Can I just buy the handlebars?	Dec-06-07
<b>A:</b> Sure, dude. \$4000, BUY IT NOW. Free Quota with purchase. Just press the little button.	
<b>Q:</b> Hey GT, Your ad reeks of humor... I was looking for Quotas, but just bought a used 03 M-strada 1K. FORZA ITALIA! ...Would you come off strike for more publicity? <b>Q:</b> I wanted a 08 Hayabusa but after your ad I must possess part of you! BTW, your ad is posted on Thumpertalk. Will you please run in 08 for the independents?	Dec-06-07
<b>A:</b> :-) Here's why that wouldn't work: As dumb as some of these questions are, the questions that the media ask of the candidates are even dumber.... and whoever controls the media controls the minds of millions. OK, what the hell, I'm in. Here's my campaign slogan for 2008: DEFY THE MEDIA!!!!!!

<b>A:</b> How many upchucks would your bud Chuck chuck if your bud chuck upchucked Two Buck Chuck?	
<b>Q:</b> Does it come with the blue Cherokee in the driveway?	Dec-06-07
<b>A:</b> No, but I'll trade you the Jeep for that '85 Chevette that you're driving these days.	
<b>Q:</b> Do you think that if I eat a can of beans before I ride it, I'll increase the gas mileage?	Dec-05-07
<b>A:</b> I guarantee it will DECREASE the mileage you get out of your Fruit of the Loom whitey tighteys.	
<b>Q:</b> how much would it cost to have you write all my ebay descriptions for me?	Dec-05-07
<b>A:</b> Sorry- I'M ON STRIKE RIGHT NOW!

<p><b>Q:</b> Is this bike made by the same company that makes those little chocolate squares they sell at Starbucks? If so, why the hatred? Also, I've never seen a Guzzi, are they all this ugly? I would buy your bike, it's pretty sweet for being a beat up second engine senior citizen. Only prob is it costs twice as much as the Kawasaki I just got, and has six times the miles. I guess that's the price of denied admission to ANY motorcycle cliché. JK, love the description, few can pull off clever, fewer can do it from atop an italian grenade.</p> <p><b>A:</b> This Quota will be running when yours has long since departed for the landfill.
